Transmute art into techno-anarchic  
facsimiles

Uploaded by a user from Schnega, 06, Germany

## DogVision

The age-old question remains unanswered: best friend, or another  
partially blind git that just likes the bacon-wielding amorphous  
monochrome shape that you represent?

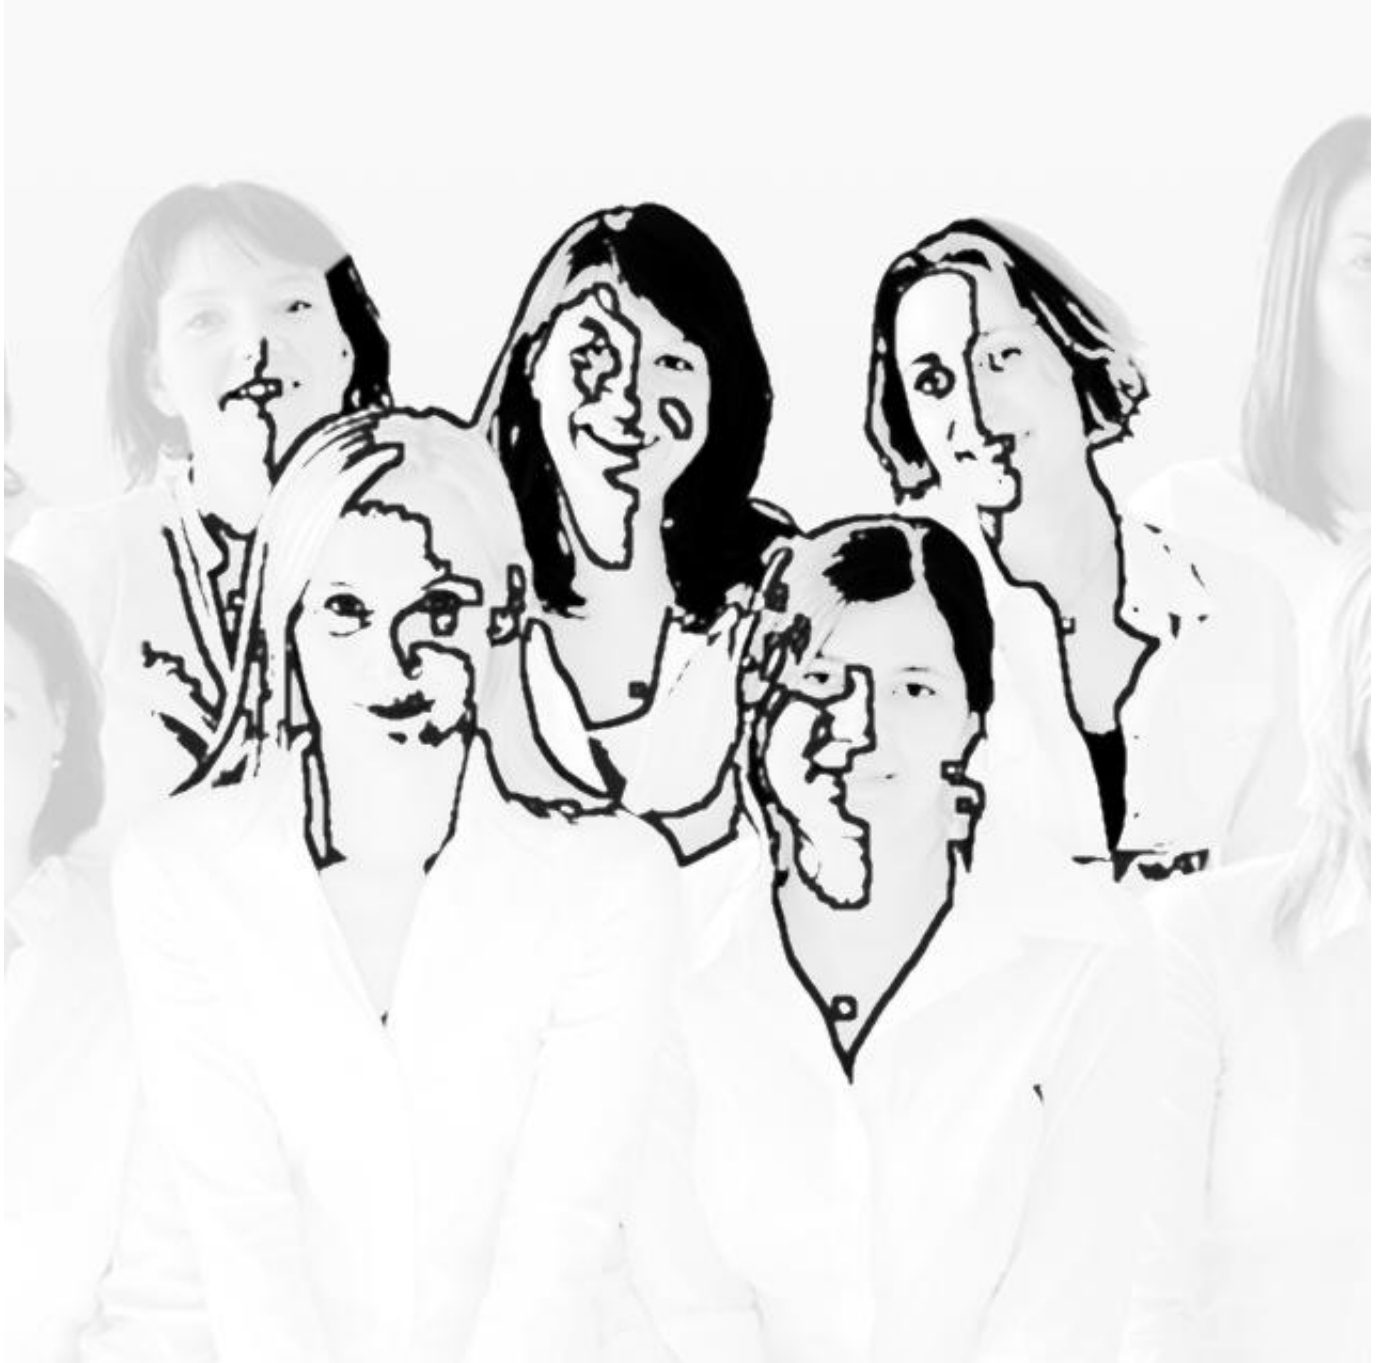

## Sandstorm

In ancient Arabia, it was called the *khamsin*, scourge of the oasis and swallower of cities, the ultimate spit in the proverbial eye. A man's camel was often his only company for days during a sandstorm, and then inevitably, his sustenance and waistcoat too.

## Caricature College Dropout

## First Steps on Venus

It's a bit dark, but then we did have to land at night.

## Optometrist's Revenge

If one more person asks for a monocle, he's going to lose it.

## BeerVision

Because beer.

## Angry Coal Miners

## Noir Is The New Black

All your dark philosophical needs in one place, from atramentous to brunet to piceous to stygian.
